Payment Plan (check one):     Monthly             10 months             I am planning to apply for Zakat

All payments are due the 1st of each month. If not received by the 5th working day, they are considered past due. For each past due payment, there will be a \$15.00 late fee charged to your account. If payment is not received by the 15th, your child/ren will not be allowed to attend class until such time as payment is received. All school bills must be paid before a student is admitted to semester exams and before transcripts and letters of recommendation will be issued. There is also a returned check fee of \$15 for every returned check. No checks will be accepted for payment after three returned check occurrences. I agree to pay the above tuition and fees from the date admitted to the end of the school year (even if I withdraw my child in the middle of the school year; exceptions apply). I understand that the School Board reserves the right to change the tuition and fees at any time. I understand that I am responsible for the whole month's tuition even if my child is admitted in the middle or end of the month (i.e. the tuition will not be prorated).
